# Robotics Camp 2016 - Camper Feedback Questionnaire

\*\*\*\*\*  
This form is intended for the camper, however parents/guardians are encouraged to assist  
\*\*\*\*\*

March 2017

Dear Camper,

It was great seeing you learn all about robotics last summer. We at the CSF are committed to growing and improving the camp and are very interested in hearing from you. We also interact frequently with sponsors and your responses here will assist us in our review of the camp and allow us to share information with current and potential sponsors and can be critical in securing future support.

To this end, we would be most appreciative if you would complete this questionnaire by Friday April 14th, 2017. We have included a few open-ended questions where we invite you to share your thoughts about the future of robotics in general and the robotics camp in particular. The results will be published on the CSF website and emailed to survey participants who leave their email address with us.

As always, we are here to offer further assistance and guidance with respect to education and career choices, should you so desire.

Remember there are no wrong answers! So have fun and share your thoughts with us as soon as you can.

Regards,

The CSF and Robotics Camp Team.

\* Required

## Email address \*

Your email

---

## Q1. Respondent Type \*

Are you a camper or the parent of a camper?

- Camper
- Parent of Camper

## Q2. School \*

What school do you attend (please enter the current school of the camper)

Your answer

---

## Which Level did you participate in? \*

If this was your first time then you completed Level I,

- Level I - Beginner
- Level II -

## Q3. Preferred STEM section of the camp

Please identify which areas of the science, technology, engineering, and math (STEM) programs you enjoyed the most.

- Introduction to robotics and simple machines (week 1)
- Introduction & use of VEX kit
- Mechanical concepts (friction, torque, speed)
- Basic programming using Scratch
- Introduction to renewable energy
- Autonomous robotics (responses to touch, colour, sound sensors)
- Team competitions
- Team building exercises

## Q4 Why?

Why did you enjoy those areas the most?

This page is for those camper attending the Level II camp ONLY.

### QII-3. Preferred STEM section of the camp

Please identify which areas of the science, technology, engineering, and math (STEM) programs you enjoyed the most.

- Recapping Introduction to robotics
  - Introduction & use of Blockly
  - Introduction and use of SnapCad
  - Use of Python
- 
- Understanding Electronics - including the Turing test & Fritzing
  - Game building
  - Team competitions
  - Team building exercises

### QII-4 Why?

Why did you enjoy those areas the most?

All Levels: Please continue

---

### Q5. Length of Camp \*

Thinking of the 2015 camp, was the 4 week duration adequate or would you prefer a 6 week camp for beginners?

- 6 Weeks
- 4 weeks
- Other: \_\_\_\_\_

### Q6. Additional Areas

What areas would you like to see added to/included in the programme?

- Visit to businesses using robotics
- Workshops with practicing engineers
- Design workshops with artists/product designers
- Workshop on game building
- Team building and cooperation workshops
- Other:

### Q7. Career Options

Can you outline what career choices you are interested in?

Your answer

---

### Q8. Career Impact \*

Did the camp activities impact your thoughts on a future career choices?

- Yes
- No

## Q9. Additional Robotics Activities \*

Would you be interested in participating in other Junior Robotics Activities during the year. The intention is to build upon your experiences and those of others and stimulate a wider section of the Barbadian community. (Please discuss with your parent or guardian before answering this question).

- After School Robotics activity
- A Robotics seminar during science at school
- Robotics games
- Other: \_\_\_\_\_

## Comments

Enter any other thoughts about the 2016 Junior Robotics Camp that you would like to share

## Camper's Gender

- Male
- Female

## Age

(age at the time of attending camp)

## Contact Information - Name

(Last, First)

Your answer

---

## email address

Your answer

---

## Contact Information - skype or phone

Your answer

---

## OPTIONAL QA. Financial Support

Since this question is optional, you should not feel compelled to answer it. Further, answering or not answering this question will have no effect on your chances for admission to the Level II camp. (If you do decide to answer this question, please discuss it with your parent/guardian) Do you think your parents or someone they know (relative, friend, business associate etc.) would be willing to make a financial contribution towards the operation of the Camps?

Yes

No

## QA i) If Yes, Outline Contributor Details

Please provide (a) name of the person, (b) their contact information, and (c) their relationship to you (the camper)

Your answer

---
