*"Grooming the next generation of Caribbean science and engineering leaders"*

Dear Parent/Guardian,

In the summer of 2017, the Caribbean Science Foundation will again be hosting the Level II version of the **Barbados Junior Robotics Camp (BJRC)**. The Level II camp will run from 11 July to 4 August 2017, and it will be held in a physics laboratory on the UWI, Cave Hill campus.

**The Level II camp is open only to children who participated a previous BJRC Level I camp, have not before participated in a BJRC Level II camp, and are less than 14 years of age by July 1, 2017**

The Level II camp will focus on completely autonomous robots. The goal would be to have the Level II campers design and build robots which can run a fairly sophisticated obstacle course autonomously (without human intervention).

The completed application form (page 2) may be submitted as an attachment by e-mail, or by post to:

E-mail: [csfhdq@gmail.com](mailto:csfhdq@gmail.com)

If your application is sent by email please use "BJRC Level 2 Application [Child's name]" on the subject line of the e-mail.

The application deadline is **11:59 pm on 24 May 2017**. Late applications may not be accepted. **Please note that Level II applicants must also fill out the online survey of their Level I camp experience for their applications to be considered.** If you have previously filled out and submitted the survey, we thank you!

If your child is admitted to the camp, a camp fee of BD\$ 400 must be paid before the first day of the camp.

Thank you for your interest, and we look forward to an exciting and productive 2017 Level II Junior Robotics Camp!

Respectfully Yours,

**Robotics Planning Committee**

**CSF Volunteers for Barbados**
