Dear Parent/Guardian,

The Caribbean Science Foundation will be hosting Level IIA (formerly Level II) of the **Barbados Junior Robotics Camps (BJRC)** from 09 July to 10 August 2018. The Camp will be held in a laboratory on the UWI, Cave Hill campus.

**The 2018 Level IIA Camp is open only to children who participated in a previous BJRC Level I Camp, and have not before participated in a BJRC Level II Camp.**

**Please note that the 2018 Level IIA Camp is equivalent to the 2017 Level II Camp, and is therefore not open to Campers who have already done the 2017 Level II Camp.**

The Level IIA Camp will focus on completely autonomous robots. The goal will be to have the Level IIA campers design and build robots which can run a fairly sophisticated obstacle course autonomously (without human intervention).

The completed application form (page 3) should be submitted as an attachment by e-mail to the Caribbean Science Foundation at [csfhdq@gmail.com](mailto:csfhdq@gmail.com). Please use **“BJRC Level IIA Application [Child’s name]”** on the subject line of the e-mail.

The application deadline is **11:59 pm EST on Sunday 20 May 2018**. Late applications will not be considered. **Please note that Level IIA applicants must also fill out the online survey of their Level I Camp experience in order for their applications to be considered. The survey can be found at [https://docs.google.com/forms/d/1qHXOSL\\_vMUNRSCbRapuxGnmQfWa-WI\\_GCWrOALMhnwc/edit?usp=sharing](https://docs.google.com/forms/d/1qHXOSL_vMUNRSCbRapuxGnmQfWa-WI_GCWrOALMhnwc/edit?usp=sharing)**

You are encouraged to submit your completed application form as early as possible. Successful candidates will be notified by 1 June 2018. If your child is admitted to the camp, a camp fee of BD\$ 500 should be paid before the first day of the camp. In exceptional cases, arrangements can be made for four weekly payments of BD\$ 125 each.

Thank you for your interest, and we look forward to an exciting and productive 2018 Level IIA Barbados Junior Robotics Camp!

Respectfully Yours,  
**Robotics Planning Committee**  
**CSF Volunteers for Barbados**
