**Application Verification**

- I understand that I: (a) must provide proof of being a Barbados citizen or permanent resident, or (b) must show proof of having spent the last four years continuously enrolled in a Barbadian school, and (c) must be at least 15 years old but less than 18 years old on July 1, 2018 to apply to Level III of the BJRC. (Applicants more than 18 but less than 19 years of age on July 1, 2018 may apply, but their applications will be considered only if there are unfilled spaces).
- Level III Robotics is a very demanding environment and involves the use of power tools. I understand the dangers involved in the use of power tools. Also, I certify that I have no physical handicap that would preclude my use of power tools.
- If selected, I certify that I will be able to participate for the full duration of the BJRC Program (July 09 – August 10, 2018). If the box above is not checked, insert the days below that you will not be present at the camp (your application will not be considered if the response to this certification is left blank).  
 \_\_\_\_\_
- If selected, I hereby agree to allow the Caribbean Science Foundation and the Caribbean Diaspora for Science, Technology and Innovation to use my photo, name, and academic and career interests for their website, press releases and public presentations.
- I further certify that the information provided in this application, my essay, and other supplementary documents provided are true and complete. I understand that misrepresentation and/or withholding information may result in the rejection of consideration for this program or termination at any time during the program.
- I hereby agree to waive my right to view my recommendation form and release the educational institutions and related individuals from all liability in responding to inquiries regarding my application.
- I release the Caribbean Science Foundation and the BJRC Program from any liability related to such inquiries.
- If selected, I agree to abide by all program requirements, policies and practices.

## CHECK LIST

Use the checklist below to ensure that your application package is complete. All items must be sent to the CSF by e-mail. Check off each item as you attach it to your e-mail. **Please be sure to name your attachments to reflect what they contain and also embed your last name somewhere in the filename.** Attachments with file names such as "scan 0001" could cause your attachment to be misfiled. Attachments with the content upside down will annoy most reviewers. Please make sure your attachments are upright and legible. The CSF will not send incomplete application packages to the reviewers.

- Essay: Why do you want to participate in robotics camp level III? (400 words maximum)
- High school transcript for past 3 years (if not in English, please provide translation).
- One copy each of CSEC grades (or equivalent exam) and CAPE scores if you took these exams.
- Math Teacher or Science Teacher or Principal recommendation (be sure to print out the 'BJRC REQUEST FOR RECOMMENDATION' and send it to your math or science teacher or Principal well in advance of the due date).
- Copy of your Barbados ID
- Completed BJRC Application Form

Please send completed application package by e-mail with attachments (pdf or jpeg only) to: [csfhdq@gmail.com](mailto:csfhdq@gmail.com) with the subject line "BJRC Level III Application [your name]." **Your complete application package must be e-mailed no later than 11:59 pm EST on Sunday May 20, 2018.**
