“Grooming the next generation of Caribbean science and engineering leaders”

Dear Parent/Guardian, Student

The Caribbean Science Foundation will be hosting Level III (formerly Level IIB) of the **Barbados Junior Robotics Camps (BJRC)** from 16 July to 16 August 2019. The Camp will be held on the Campus of UWI, Barbados.

The 2019 Level III Camp is open only to children who have previously participated in the lowest level of a Level II BJRC Camp (e.g., Level IIA in 2016, 2017 or 2018). Please note that the 2019 Level III Camp is equivalent to the 2018 Level IIB Camp, and is therefore not open to Campers who have already done the 2018 Level IIB Camp.

The 2019 Level III Camp will focus on more complex autonomous robots than the 2019 Level II Camp and will involve substantially more programming than the Level II Camp. The goal would be to have the Level III campers design and build sophisticated robots which can complete complex tasks autonomously (without human intervention).

The completed application form (page 3) may be submitted as an attachment by e-mail to the Caribbean Science Foundation at csfhdq@gmail.com. Please use **“BJRC Level III Application [Child’s name]”** on the subject line of the e-mail.

The application deadline is **11:59 pm EST on Sunday 15 May 2019**. Late applications will not be considered. **Please note that Level III applicants must also fill out the online survey of their Level II Camp experience for their applications to be considered. The survey can be found at https://docs.google.com/forms/d/1qHXOSL_vMUNRSCbRapuxGnmQfWg-WI_GCWrOALMhnwc/edit?usp=sharing**

You are encouraged to submit your completed application form as early as possible. Successful candidates will be notified by 15 June 2019. If your child is admitted to the camp, a camp fee of BD\$ 500 should be paid before the first day of the camp. In exceptional cases, arrangements can be made for four weekly payments of BD\$ 125 each.

Thank you for your interest, and we look forward to an exciting and productive 2019 Level III Barbados Junior Robotics Camp!

Respectfully Yours,
Robotics Planning Committee
CSF Volunteers for Barbados

Barbados Junior Robotics Camp - Level III Application

(Open only to children who have previously participated in the lowest level of a Level II BJRC Camp (e.g., Level IIA in 2016, 2017 or 2018))

Camp Dates: 16 July 2019 to 10 August 2016

TO BE COMPLETED BY PARENT/GUARDIAN

Name of child: _____

Date of birth: _____ Country of Birth _____

Citizenship: _____ Year attended Level II camp: _____

Address of Child: _____

Name of parent/guardian: _____

Telephone: (Home) _____ (Work) _____ (Cell) _____

Address: _____

E-mail addresses: _____

In case of emergency (additional contact person):

Name: _____ Tel: _____

Relation to child: _____

List your child's allergies, if any _____

List your child's medical conditions _____

Does your child require medication and how often? _____

Will your child be collected from the camp by you, or will he/she go home with another adult? Please provide the name of the adult who will collect the child from the camp, and their cell phone number.

Adult: _____ Tel: _____

Please confirm that your child will attend the camp for the entire period? YES NO

If "no" which days will your child be absent: _____

Signature: _____ Date: _____

In the event of a change in pick-up routine, a signed letter (hardcopy or email) should be provided to Ms. Daneilia De Silva (desilva.csf@gmail.com), CSF Headquarters, CARICOM Research Building, UWI Cave Hill Campus, St. Michael, Barbados.

Reminder: Your online survey of the latest camp you participated in, must be on file at the CSF for this application to be considered. Please visit:
